

Australia–Indonesia Investment Lunch: Insights from Business and Government

HWLE Lawyers, the Indonesia Investment Promotion Centre (IIPC) and the Australia Indonesia Business Council (AIBC) invite you to an in-person lunch discussion on investment opportunities and bilateral trade between Australia and Indonesia in Sydney on Monday, 27 July 2026.

As investment between the two countries continues to grow and diversify, this discussion offers a timely opportunity to hear directly from high-level Australian and Indonesian Government representatives and business leaders on emerging investment opportunities in both markets, including case studies of successful investment into both countries.

Key themes and priority sectors we will discuss at the lunch will include:

- infrastructure and urban development
- food and agriculture including agribusiness
- energy transition/renewable energy
- the digital economy and technology

This business lunch is designed for executive-level investors and corporates with an existing or emerging interest in Australia–Indonesia investment opportunities, offering a valuable platform for networking with peers.
